

# RAINBOW HOMES

## 2016 MEMBERSHIP DRIVE

FRIENDS OF RAINBOW HOMES,

Everyone needs that "place to call home". Rainbow Home has 30 residents who call it home. Along with the Residents, our Respite Care, Community Living Service, Staff, Board of Directors, and many volunteers, we wish to thank you for your continued interest and support of our programs.

Your yearly membership, donations, in-kind support, volunteering, and giving of our residents trying to live as independently as possible, is much appreciated.

Our residents live, work, worship, volunteer, and participate in activities throughout the Tri-County area. They are proud contributing members of society.

We ask that you consider supporting this worthy organization in 2014, with a membership donation of \$30.00. With the economy in crisis, programs like ours are even more in need of your generosity. Please consider renewing your membership, or becoming a new member of Rainbow Homes. Please also consider us as one of your organizations to donate to for the United Way program. Our United Way number is #1751.

God's continued blessings,

*Marcia Evans*, Executive Director PH. 517-290-1295
